

JON M HALL
COMPANY
Florida's Premier Site Developer

COMPANY EXPERIENCE

Jon M. Hall Company was founded in 1974. Through the years we have created a company that has successfully grown through economic downturns and become one of the largest and most respected site development companies in Central Florida. In the last five years we have completed over 150 projects totaling \$334 million in revenue.

PROJECT EXPERIENCE

Our projects range from small commercial projects under \$100,000 to large institutional and residential projects over \$14 million. All are related to comprehensive site development.

Eighty percent of our work is self-performed which includes clearing, earthwork, sanitary sewer, storm sewer, water systems, reclaim water systems and concrete work. We subcontract specific work scopes such as geotechnical testing, lift station plumbing, electrical, sod/grassing, striping/signage, wall/paver installation and asphalt paving.
